Media Release

New Clinker Facility at Jamul – Commencement of Commercial Production

The following is the text of an announcement made by us to Stock Exchanges, earlier today.

"We are pleased to announce the commencement of Commercial Production from our new state-of-the-art 2.79 MTPA Clinker Facility at Jamul, located in Chhattisgarh State with effect from 19th July 2016. Two new Cement Grinding Facilities, one each at Jamul in Chhattisgarh State and Sindri in Jharkhand State, which form part of this integrated project, are expected to be commissioned within Quarter 3, 2016.

This will facilitate the Company in serving our expanding customer base in the fast-growing market in East India, offering premium quality products like ACC F2R (Foundation to Roof), ACC Plus and Hi-performance PSC cements for complete concreting solutions."

R Nand Kumar
Vice President – Corporate Communications

Mumbai. July 20, 2016
